React Norway - June 13th 2025

React Norway just got an upgrade!

We're making a big jump to a new location: [Holmenkollen Park](#) at the top of Oslo.

Now rendering at 350Px... I mean, 350 seats!

Bigger venue, more seats, 350 in-person tickets on sale, in addition to the livestream.

Holmenkollen Park is one of Norway's most unique hotels with a spectacular view of the capital.

Join us for a full-day conference with amazing speakers and passionate developers in historical surroundings.

As a sponsor your name and logo will be featured both on site and online to a crowd of front-end-lovers.

If you're looking for people to hire, or if you want to connect in person - this is the place to be.

We want to make it as easy as possible for you to become a sponsor - have a look at our sponsorship packages and let us know which one suits you best:
